Chris & Michele: does this need to be sent by green card (these are done 1/wk usually Tuesday or Wednesday) or can it go via email?

If it can be sent by email then we need an email address under the address block and a routing slip for this package to get moving.

Thanks,

Dan

Mita,

Mary Jo made edits to the Pine Hope letter, I've pasted it below:

Old Language: This proposal is subject to EPA approval; it is a staff recommendation to proceed with this settlement through an Administrative Order on Consent (AOC).

New Language: This draft proposal, once approved by EPA management, will become part of the settlement through an Administrative Order on Consent (AOC).

Are you ok with this?

Thanks,

Michele

How do you feel about rewriting the sentence you had a concern with to read:

This proposal is a staff recommendation and requires approval by the Enforcement and Compliance Assurance Division Director before being memorialized in an Administrative Order on Consent (AOC).

Let me know how you'd like to proceed.

Angela,

Please find the attached (link to folder below) letter for review, routing, and signature. I have included a link to the shared folder and provided permissions for all on the routing slip. You should be able to make any necessary changes and save to the folder and then route, providing the link below, to the next person. Please let me know if you have any questions or need me to do anything. If it is easier, I can route to the attorney once you have completed your review. Just let me know how best to proceed.
